Dignified Choice[®] Whole Life Final Expense Insurance

Today's Choice -
 Tomorrow's
 Peace of Mind

*Protecting families
 for more than 135 years*

Your legacy is the gift you leave to your family.

You want to leave your loved ones many things - cherished memories, treasured family heirlooms, and the financial security to achieve the goals you've planned together.

One thing you will not want to leave your family is the burden of outstanding debts from final expenses. We can help you make sure that doesn't happen.

Did you know that -

Funerals are among the most expensive purchases many consumers ever make. According to the National Funeral Directors Association, the median cost of a funeral with a vault, which is required by most cemeteries, was **\$8,755** in 2017. Additional fees for flowers, obituaries and cemetery costs can cause a funeral to run well over **\$10,000**, and that's at today's prices. The costs at the time of need could be much higher due to inflation.

Where will the money come from?

Social Security: Pays only a \$255 lump-sum death benefit, and only to qualified dependents.¹ Also, Social Security income may be reduced by as much as 50% with the death of a spouse.

Veteran's Administration: May pay a \$300 burial allowance under certain circumstances.²

Savings: Do you have the funds necessary to cover such costly expenses?

Loved Ones: Do your children have the funds necessary to cover such costly expenses? Do you want to leave this burden to them?

Final Expense That Fits. With four Classic plans, Columbian has a policy to fit most individuals, even those who may find it difficult to obtain coverage due to health issues.

For those in good health, the **Classic Elite** and **Classic Select** plans offer an immediate full death benefit from the first day of coverage.

Individuals who do not qualify for a full benefit plan may be eligible for a **Classic Advantage** or **Classic Security** plan, which provide a modified benefit. With both plans, the full death benefit is payable for accidental death in any year.

For non-accidental death occurring during the modified benefit period, the death benefit is equal to a refund of all base policy premiums plus 6% interest. The modified period is two years for Classic Advantage and three years for Classic Security. After the modified benefit period, the full death benefit is payable for death by any cause.⁵

Dignified Choice® Rider Options

Children's Term Rider You can add level term insurance for up to 20 children, grandchildren or great grandchildren. Rider coverage remains in effect to each child's age 25, when it can be converted to permanent insurance. This optional rider is available with Classic Elite, Classic Select and Classic Advantage.
