Simplified Underwriting

For all simplified-issue whole life products, a Personal History Interview (PHI) is required.

Know Before You Go® Application Process:

- Let your client know what to expect:
 - Purpose: to review information on application.
 - Typically takes about 15 minutes, depending on product.
 - Discussion includes medical history, name of physician, and other pertinent information from app.
 - Remind client to be forthcoming and honest in answering interviewer questions.
- You, as the Agent, initiate a Personal History Interview (PHI) from your client’s home by calling 866-333-6557.
- Tell the operator the interview is for UHL/UFFL and for the appropriate simplified issue whole life product (Express Issue Whole Life, Express Issue Deluxe, Express Issue Premier, or Provider).
- Hand the phone to your client, who must complete the interview without coaching or help from others.
- During the call, the interviewer conducts MIB and IntelliScript prescription drug history searches.
- When the client is finished with the interview, he/she will be asked to hand the phone back to you.
- Based on the client’s answers to the questions, and the MIB and prescription drug database searches, the interviewer will tell you whether or not the application should be submitted to the Home Office.

PHI Hours:

- For all continental US time zones: 8:30 a.m. – 8:30 p.m., Monday-Friday; 11:00 a.m. – 4:00 p.m. on Saturday. Sundays by appointment.
- If Agent did not meet with the applicant in person when the application was taken, a PHI is **REQUIRED**.

MIB, Inc.:

- Maintains and safeguards a record on almost everyone who has applied for life, health, critical illness disability, or long-term care insurance within the past seven (7) years.
 - Records contain information of underwriting significance (medical and avocation information) about consumers who have applied for life and health insurance with MIB member companies.
 - Consumers may request a free copy of their MIB file by calling 866-692-6901.
- UHL/UFFL does not rely solely on MIB reports to determine life insurance eligibility.

Milliman IntelliScript:

- Results include drug name, dosage, fill date, pharmacy, and physician information.

APS Guidelines/Procedures

UHL/UFL does not order APSs, and **here's why:**

- For most products, our **Know Before You Go®** personal history interview provides a **very solid preliminary decision** *before* you leave your client's home.
- Ordering an APS **adds** to the Company's **expenses** which can **result in higher premiums** and/or **lower commission rates**.
- **Underwriting takes longer** – sometimes weeks, or even *months*.
- Obtaining the APS **rarely results** in an **application that's approved as applied for**.

What we will do: Notify you, giving you as much information as HIPAA allows, and **advise the product your client does qualify for**. Your client then has options:

- **Accept the product offered** and we'll issue the policy.
- **Pursue further underwriting. Your client** would then **request the APS** from his/her physician, and the **cost would be at your client's expense**.
 - **NOTE: We will only accept an APS via fax directly from the provider's office or in an envelope sealed by the provider if sent by USPS or overnight mail. The fax number to which an APS should be sent is 317-692-7636.**

Notes:

For Agent use only. Not for use with the general public.
