DISCLOSURE STATEMENT

TERMINAL ILLNESS ACCELERATED BENEFIT RIDER

TAX IMPLICATIONS. The acceleration-of-life-insurance benefits offered under this Rider may or may not qualify for favorable tax treatment under the Internal Revenue code of 1986. Whether such benefits qualify depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the acceleration-of-life-insurance benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to acceleration-of-life-insurance benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive acceleration-of-life-insurance benefits excludable from income under federal law.

ANY MEDICAID OR OTHER GOVERNMENT ENTITLEMENT FOR WHICH YOU ARE ELIGIBLE MAY BE AFFECTED BY PAYMENTS RECEIVED UNDER THIS RIDER.

The Accelerated Benefit Rider attached to your Policy allows you to receive up to 100% of the Death Benefit proceeds of the Policy when the Insured has a medical condition that reasonably can be expected to result in death within 12 months. Upon receipt of proof satisfactory to the Company of the Insured's reduced life expectancy and written consent of any assignee or irrevocable beneficiary we will pay an accelerated benefit. It will be paid in a lump sum. It is payable only once.

The Benefit to be paid will be reduced by an Actuarial Adjustment Factor and an Administrative Charge of $150. We will deduct from the Benefit paid any outstanding indebtedness, but only in proportion to the percentage of Death Benefit paid. We will also return to you a proportionate amount of any premium paid beyond the date any Benefit under this Rider is paid. Payment of the Benefit will reduce the Death Benefit proceeds by the amount of the Benefit paid under the Rider. Any portion remaining after reduction of the death benefit due to payment of any acceleration-of-life-insurance benefit will be paid upon the death of the Insured. The Cash Value, the amount available for loans and the premium, excluding the Policy fee, for the Policy will decrease in proportion to the amount of Benefit paid. Continued payment of the reduced premium is necessary for the Policy to remain in force. If the entire Death Benefit is paid, then the Policy will terminate with no further value.

Social Security Drafting

Drafting Along with Social Security

In order to match up the drafts to coincide with your client's receipt of Social Security payments, use the following **"Requested Draft Days"** when completing the bank draft authorization:

- **1S** - if Social Security is received on the 1st
- **3S** - if Social Security is received on the 3rd
- **2W** - if Social Security is received on the 2nd Wednesday
- **3W** - if Social Security is received on the 3rd Wednesday
- **4W** - if Social Security is received on the 4th Wednesday

Please Note: If you enter simply a **"1"** for the 1st or **"3"** for the 3rd, the drafts will not necessarily follow along with Social Security.

Example:
Let's say the 1st falls on a Saturday, the following shows the timing of drafts based upon the draft day you have entered:

- **1S** - We will draft for premiums on the Friday before. This matches the timing of the Social Security funding calendar.

- As opposed to -

- **1** - We will draft for premiums on the Monday after.

The use of these special draft dates for Social Security have greatly reduced the number of return drafts for NSF.

AMERICAN-AMICABLE LIFE INSURANCE COMPANY OF TEXAS
P.O. Box 2549, Waco, Texas 76702-2549

IMPORTANT NOTICE
REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

Note-This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing life insurance policy or annuity contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A *replacement* occurs when a new life insurance policy or annuity contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing life insurance policy or annuity contract, or an existing life insurance policy or annuity contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A *financed purchase* occurs when the purchase of a new life insurance policy or annuity contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing life insurance policy or annuity contract to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract? _____YES _____NO
2. Are you considering using funds from your existing life insurance policy or annuity contract to pay premiums due on the new life insurance policy or annuity contract? _____YES _____NO

If you answered “yes” to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

	INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its agent for information about the old life insurance policy or annuity contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing life insurance policy or annuity contract is being replaced because_____

_____

_____

I certify that the responses herein are, to the best of my knowledge, accurate:

_____ Applicant’s Signature and Date

_____ Insurance Producer’s Signature and Date

_____ Applicant’s Printed Name

_____ Insurance Producer’s Printed Name

I do not want this notice read aloud to me. _____(Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your insurance producer/agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

__Are they affordable?
__Could they change?
__You're older—are premiums higher for the proposed new policy?
__How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

__New policies usually take longer to build cash values and to pay dividends.
__Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
__What surrender charges do the policies have?
__What expense and sales charges will you pay on the new policy?
__Does the new policy provide more insurance coverage?

INSURABILITY:

__If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
__You may need a medical exam for a new policy.
__Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
__Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

__How are premiums for both policies being paid?
__How will the premiums on your existing policy be affected?
__Will a loan be deducted from death benefits?
__What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

__Will you pay surrender charges on your old contract?
__What are the interest rate guarantees for the new contract?
__Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

__What are the tax consequences of buying the new policy?
__Is this a tax free exchange? (See your tax advisor.)
__Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
__Will the existing insurer be willing to modify the old policy?
__How does the quality and financial stability of the new company compare with your existing company?
